India's **Largest Exhibition** on
Metal Forming,
Fabricating,
Welding and
Finishing

7 **8** **9**
September 2022

Hall No. 7, 8, 9, 10 & 11
Pragati Maidan, New Delhi

www.FabtechIndia.in

India's largest exhibition on metal forming, fabricating, welding and finishing is being organised by ACE Exhibitions on 7-9 September, 2022 at Pragati Maidan, New Delhi

FABTECH India 2022 provides an unparalleled opportunity to exhibit your products, innovations and solutions to the captive audience of manufacturers, service providers, and high-level decision makers. With the government making efforts to boost the industry, and domestic and international manufacturers looking for more and more fabrication and welding solutions, it is time to come together and move the metal fabrication industry forward. Are you ready to meet the demand of your customers at FABTECH India 2022.

FABTECH India 2022 is the show where the industry's most influential buyers will come to see the latest and greatest in metal forming, fabricating, welding and finishing. They look for new technologies and products to make their businesses more productive and profitable.

FABTECH India 2022 will be your high-quality investment in marketing your products and solutions. The show will yield exceptional value and positive results for your investment. The expo is the solid platform to build brand awareness, expand market share, collect leads, take orders and increase profits.

High-quality audience will throng the show to look for the most advanced developments and products from the industry. They would come to discover innovative solutions in finishing, welding, fabricating, and metal forming.

Experience businesses happening on the show floor during the expo. FABTECH India 2022 will help you generate the leads you need to succeed.

Exhibitor Benefits

- Have cost-effect access to over 150 top brands

How We Attract Visitors

With the ultimate aim to maximise your return on investment, we are doing extensive promotions of our shows, which will continue for four months

- We are eager to work collectively with our exhibitors and sponsors and help them reach out to their buyers with the help of our resources, market connections, and social networking
- Our dedicated call centre is putting in hours to directly call the purchase and procurement managers, manufacturing and R&D heads and other relevant experts of business houses
- Regular ads in business dailies—print and digital versions will help in buzzing about the Mega Expos for over three months
- We have tied up with industrial clusters and their respective associations to invite their members
- B2B meetings with Big Buyer, the single point sourcing solution for big business houses
- E-mailer and SMS campaigns to our massive industry database
- More than 1 lakh personal invitations to the industry
- Our media partners—Tradeindia, Tender 247.com, 10 Times, Four Square Media, Alibaba.com and Trade4India.com have already started promoting the shows
- The shows are also being promoted through dedicated websites, social media platforms and PR agency
